

**REMARKS**

In response to the Office Action mailed January 13, 2005, Applicants respectfully request reconsideration.

Claims 2-37 were previously pending in this application.

The Office Action rejected claims 25-37 under 35 U.S.C. §102 as being anticipated by Knotz (U.S. Patent No. 6,289,055). Although Applicants respectfully disagree with this rejection, Applicants are canceling claims 25-37 solely for the purpose of expediting prosecution of the application to allowance.

As a result claims 2-24 are pending in the application with claims 2, 9, 11 and 21 being independent claims. No new matter has been added. The application as presented is believed to be in allowable condition.

**Allowable Subject Matter**

Applicants note with appreciation the Examiner's allowance of claims 2-24.
